Praxis Centre for Screenwriters is a non-profit organization operating through the School for the Contemporary Arts at Simon Fraser University in Vancouver. Praxis is devoted to the professional development of Canadian screenwriters and filmmakers. Our ongoing programs include national screenplay competitions, an annual story editor internship, and a script analysis service. Praxis also offers seminars, courses and workshops on topics related to screenwriting and filmmaking in Canada.

The Praxis resource library offers a large collection of published screenplays and shooting scripts, books on screenwriting and filmmaking, a variety of magazine subscriptions, and numerous files of related information. Our website has links to many sites of interest to writers and filmmakers, and offers a host of information regarding our own programs.

As a Praxis Member, you will receive our newsletters, weekly e-mail bulletins, and notification of events in the mail, as well as:
